

Northwestern Connecticut Community College

High School Partnership Program

Are you a high school junior or senior?
Do you want a jump start on your college education?
Interested in reducing your future college costs?
Want to take college courses for free while in high school?

If so the **High School Partnership Program** at Northwestern
Connecticut Community College is for you!

With the partnership program, you can take two college courses and earn up to 8 college credits per semester at Northwestern Connecticut Community College. These credits can be used towards your degree at NCCC or be transferred to many four year institutions, saving you hundreds or even thousands of dollars.

Eligibility: A junior or senior in high school with at least a B average.

Contact your Guidance Counselor today for more information!!

HIGH SCHOOL PARTNERSHIP PROGRAM INFORMATION

The High School Partnership Program is a special program designed to provide qualified high school juniors and seniors the opportunity to take up to two college courses each semester at no charge. Students may register for specific developmental courses and/or 100-level or higher courses but must meet the prerequisites for the course(s) they wish to register for. Students with a minimum of eighty percent scholastic average are eligible to participate in the program. Final selection will be based on the recommendation of the high school program coordinator and the principal. With the recommendation of the school principal, a flexible interpretation of the minimum scholastic average will be permissible. High school students admitted to the program will be eligible to enroll in a maximum of two Northwestern Connecticut Community College (NCCC) credit courses each semester on a space-available basis at no charge. The students are responsible for buying their own books and providing their own transportation.

The deadline for registration form submission to NCCC is:

November 15th for Spring Semester Courses

June 15th for Fall Semester Courses

APPLICATIONS RECEIVED AFTER THESE DATES WILL NOT BE PROCESSED

Steps to apply for the High School Partnership (HSP) Program:

1. Discuss the HSP program with your guidance counselor to determine eligibility.
2. If eligible, complete the registration form. All information must be complete.
3. A letter will be sent to you notifying you that NCCC has received your registration form and that you must schedule a time to take the Accuplacer placement test.
4. Because registration is on a space-available basis, you will not be registered for the course until the business day before classes begin.
5. Guidance counselors will be notified on the business day before classes begin so you will know if you have been enrolled in the course(s). Please talk to your guidance counselor on that day.
6. You will be required to purchase the course textbooks as soon as possible.

Terms of Acceptance

I understand that if I do not meet the criteria set forth by the High School Partnership Program, I will not be considered for college credit. I also understand that I may withdraw from the High School Partnership Program (a withdrawal form is required and must be submitted to the Registrar's Office at NCCC by the posted deadline).

I hereby declare my intention to participate in the High School Partnership Program offered by NCCC.
